

# ULTRA BUGGY®

WHEELED 2500

The popular Toro® Ultra Buggy brings power, versatility, and productivity to any job site - use it to transport and pour wet concrete, haul materials, clean up job sites, and much more. Its compact size and maneuverability make it easy to dump material in tough to reach areas. And, hauling up to 2,500 lbs of material is a breeze with the patented ride-on operator platform, dual-action dump pedal, and easy-to-use speed controls mounted to the handle.

## FEATURES

### DESIGNED FOR COMFORT & CONTROL

- Handlebar mounted forward and reverse speed controls are comfortably located and easy to use
- Dual-action dump pedal means there's no need to remove hands from handlebars to discharge material
- Fully hydraulic dump system makes unloading smooth and effortless
- Patented oversized brake pedal is easy to locate and use for safer operation
- Patented ride-on operator platform provides more maneuverability in tight places and can be locked upright for walk-behind use

### EXTRAS ARE STANDARD

- Foam-filled tires keep you running on tough terrain and decrease downtime
- Patented quick-disconnect tires quickly remove for easy doorway or fence access
- Contoured tub design includes back splash to prevent concrete from spilling
- Patented quick-disconnect system allows you to quickly remove tires to fit through doorways.

### BUILT FOR SERVICEABILITY

- Engine cover can be removed without tools to provide easy service access
- Heavy-duty polyethylene tub is easy to clean
- Tub is mounted to the frame with six easy-to-remove elevator bolts to make changing out the tub fast and easy
- Four-way forklift brackets and lift points are built in for portability
