MX BRUSH CUTTER

"Just like to say that the Vail Brush Cutter is absolutely amazing! I've ran mulchers and several other brush cutters for years and this cutter surpasses them by far! I am looking forward to doing more business with Vail in the future."

– Chris Castle
Owner, Castle Landworks

MX BRUSH CUTTER

MODEL NUMBER: MXBC-4215 | WIDTH: 42" | WEIGHT: 750 lb

MODEL NUMBER: MXBC-4815 | WIDTH: 48" | WEIGHT: 800 lb

OPERATING MACHINE WEIGHT: 7,000-20,000 lb

FLOW: 12-20 GPM

OVERVIEW

The MX Brush Cutter delivers impressive power, boasting a torque of up to 200 lb. ft*, all while maintaining a sturdy weight that optimizes the center of gravity. This is achieved through its strategically positioned centralized hitch. Our Brush Cutter is plug and play ready – compatible with most mini excavators in the market. The package includes mounting brackets, hoses, and couplers, all covered in the unit's price, with no need for a case drain retrofit.

ROBUST DESIGN
